EXPERIENCE

Senior Web Developer @ New York Film Academy

May 2019 - Present

Currently employed as a Senior Web Developer at the New York Film Academy, a Global Education Corporation serving 5,000 students in the US, Australia, Europe, and Asia. Working as a frontend and backend developer to update and maintain all campus' websites, student portals, and managed content on student program databases, applicant enrollment systems, and customer relationship management databases.

Skills: PHP, HTML, CSS, JavaScript, JQuery
Tools: Wordpress, Drupal, Bootstrap, MySQL, FileMaker, SugarCRM, Marketo

UI Design Intern @ Kyo Logic

May 2018 - August 2018

Cooperative education as a UI Designer at Kyo Logic, a FileMaker Pro development company. Worked with a team of developers to update existing user interfaces and create new user interfaces for client's custom software.

Skills: HTML, CSS, User Experience Design, Usability Testing, Prototyping
Tools: FileMaker, Adobe XD, Adobe Photoshop, Adobe Illustrator

Web Developer @ RIT College Activities Board

August 2017 - May 2019

Worked as Web Developer with a team of designers and event coordinators to create websites for many campus wide events for Rochester Institute of Technology's College Activity Board. Maintained internal staff organization system and event creation database system.

Skills: HTML, CSS, JavaScript, PHP
Tools: Bootstrap, MySQL

Web Designer @ RIT Student IT Office

January 2017 - May 2017

Cooperative education as a Web Designer for Rochester Institute of Technology's Student IT Office. Worked on a team that designed and developed new features for Tiger Center, RIT's student portal and alternate interface for student enrollment.

Skills: HTML, CSS, JavaScript
Tools: Bootstrap, Adobe Photoshop, Adobe Illustrator
